Semi-Final and Final Tie Break Procedure

For Semi Final and Finals: During the Semi-Final and Final games, in the event of a Match being tied at the end of normal time, extra time will be played until a winner is determined. Extra time will be in periods of five minutes. After each period the Teams will change ends of the field without interval. In extra time the Team which scores first will immediately be declared the winner without further play. The Team that first kicked off will do so again in the first period of extra time, and subsequent kick-offs will alternate between the two sides.
